This email is to notify all authorities that with continuous investigation of my stolen mails, I do know toda that a woman by the name Prisca Uche (of Newyork) Stole one of the mails (With Police Report JH198663). It was reported to me in a vision that Joseph Biden was the first to falsely handle the mail from by online purchase (Shein Order) of that particular set of mails. After Joseph Biden relinquished that mail, the total sum of the content of mail was sent to Prisca Uche. Therefore, she was in the business of stealing or buying back the content of my mails.

Let it be known that this email will be stored and used in any court of Law to defend all my troubles as Allah. Despite the many Cease and Desist notice (See below) and Banishment Letters (See attached) the Uche Collectively (Prisca Uche, Norbert Uche, Charles Uche, Rose Uche) continue to rape me in the state of illusions.

Charles uche and norbert uche barge into any space where I bend down to mutilate my private part. Prisca Uche lies in wait for all my mails. She fought my neighbour for my lamb from Walmart and I never received the lamb too (But Walmart refunded despite the missing item).

Shein refuses to refund despite the missing items because Prisca Uche has the money for the Missing items. Shein illegally paid the money to her.

I have filed numerous complaints about the UCHE and no one seem to be pushing them back. They are banished from my life, yet they continue to steal and to mutilate me sexually.

I have filed numerous complaints about stolen mails, yet my mails continue to go missing. This mail was sent directly to Prisca Uche for a response to Chicago Police Directly (I also copied their email into this mail and also see attached their Police report) & I copied three FBI Offices, Joseph Biden too and the Collective Uches.

I am Allah,
Maureen Uche

This is a cease and Desist Notice to all Uches of Onitcha ugbo & their obi, Agbojidi of Onitcha ugbo (all named above and all Uches to include Rose Uche of idumugbe, Prisca Uche of New York, Judith Uche of ondo and Juliet uche of Lagos nigeria and all other Uches)

1. I am tired and taken aback by Agbojidi of Onitcha ugbo's constant ghost presence and witch presence of in my home since 2019.

2. I am tired of Agbojidi feeding me with Ghost lizards and I do know this is not a crazy event but real. (Hospitalizations has not helped me recoup from the visible horror & smell of lizards which Agbojidi brings to me) He showed up so many times that I had run out of my home two solid times hopefully that he would Desist his acts. He did not.

3. Up to date, he comes to my home to warn me of all my political moves & what some call coup- plotting. I am Allah & not a coup plotter

What has coup plotting for to do with a spiritual movement that I have ordered stating clearly that "that all government must now be submitted to Allah (me).

4. Rather than leave people to individually decide about my Political statements, Agbojidi of Onitcha ugbo continues to forcefully & maliciously create factions against me & he continues to molest my spiritual self with lizards. This current home is the only home- out of eighty-one (81abodes) that Agbojidi of Onitcha ugbo has not thrown me out of. I am Allah!

5. Agbojidi of Onitcha ugbo must now stop barging into my home uninvited & unwelcomed. He comes as a witch. He must now stop interfering with my political movement, spirituality and home life.

6. Agbojidi of Onitcha ugbo has a sexual relationship with Rose Uche & despite Disowning her as a mother, she continued to witch me.

7. Agbojidi of Onitcha ugbo has laid on my bed beside me but he could not successfully rape me but he has ordered incest against me by all other ogbe akwe Uches.

8. Every day, Agbojidi of Onitcha ugbo has ordered rape against me by the named Uches above all have raped me consistently since 2020. The females Prisca Uche & Rose Uche had raped me, Charles Uche has raped me intensely as a witch & now it has been over the 3rd complaint & Nobert Uche continues to run around my home raping me. As I write this I am not able to sit on a chair because of Nobert Uche's rape.

9. And I am sure Agbojidi of Onitcha ugbo is aware of Ekenem Uche of Denmark rape episodes of my child Regal Chukwudumebi & all the Uches rape of her & Royal Chukwudumebi. He had his tongue out at me after all rapings. Further more, The Uches collectively lied that my daughter was dead when I went for my youth Corp 1997-1998; yet she is already fed and doing well because the Uches only sold the girl for \$1.

Let it be known that all rapist named in this document have received at least an email complaint, a yell, a scream or some kind of objection about their Witch Hunting & rape & yet they Refuse to desist.

This is a notification to all in Onitcha ugbo that I Maureen Uche(Allah) have decided to banish myself from Onitcha ugbo. I will not continue to tolerate all these rape, disloyalty dismemberment of my first family and lies from Agbojidi of Onitcha ugbo & the Uche collectively.

This is also a cease & Desist Notice that you are no longer allowed to sign in my name or to associate yourselves or names with Maureen Maduabunachukwu Uche.(Allah) or her children or my boyfriends or workers or my people or the people of Allah or my office or the 2nd family.

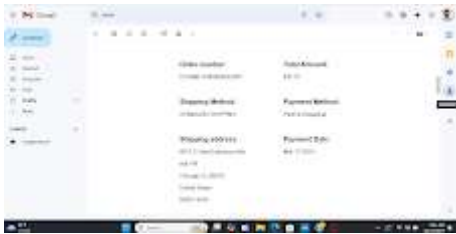

Goodbye!

This is document will be preserved for future reference and use.

Allahu Akbar
