As of today, donald Trump and MelaniaTrump have no Power to sit any longer in any chair in the world. I am the President of the USA, the world President & th ePresident of all Nations. I am Allah. I was born to rule the world and America has ceased my gifts with their illegal government. As Allah, I am the Only one whose turn it is to rule! (Amongst many there is one). Joseph Biden, did the same horrifying stalking just so he can sit in the with house with his wife Jill Biden (Please see all my notes and complaint to the FBI copying Joseph Biden himself at info@joebiden.com)

Please get Donald Trump away from my home as he travels around as a vampire with his Chimp wife, Kamala Harris. Both were in my home today beating me up!

He soul traveled around with the "Uches- Charles Uche, Norbert Uche and the sons and daughters of Charles Uche". I collectively call them the "Uches". The Uche have been banished from me because of their dubious work with Joseph Biden. Joseph Biden falsely held the hands of the "Uches"and ruled shamelessly for the past 4years when indeed, it was my turn to rule.

Now, Donald Trump is heating up the vampire pots to begin a rape session of me.

These men heading these false and Illegal governments will be Prosecuted. My admonition has always been: "If you can sit and rule the free world without Maureen Uche, so be it" but they cannot rule and so my life is plagued with unknown men like Joseph Biden and Donald Trump attempting many fetish activities on me. They have collectively thrown me out of my homes over 64 times, sent me to jail over 5 times, harassed and subjugated me everyday since 2013. I slept in my car for the fourth year, before they sent me to Prison, when I came out no one wanted anything to do with me and I roamed the streets for the 2nd year and in and out of homeless shelters since.

As of yesterday, I thought the new government was mine because Donald Trump is increasingly aware that he has married a woman who cannot help his rulership and who cannot give him spiritual peace to rule. The Chair of Allah is too high now and I continue to descend every time I am not in the WH.

I am Allah and this should serve as a Cease and Desist Notice to all false and illegal governments.

All authority belongs to me and please do not abuse me any longer!

I am Allah! I am the Ruler of the free world!
