The Throne and The Voice

Hello White House,

It has come to my attention that Royal Chukwudumebi and Sir Mick Mulvaney need a lot of workers and now I have decided to address this issue.

Rules governing this document:

1. **ONLY** Royal Chukwudumebi goes to school.
2. I will ascend to the White House soon and I will make additional comments about putting other people in school.
3. You must wait for my ascension before you make any other changes to this document.
4. No other Person gets a Knighthood or any promotions.
5. **BioMedical Engineering Bachelor's Degree for Royal Chukwudumebi a Must:** Royal Chukwudumebi was shockingly removed from college in Hofstra University for non-payment of school fees. I went to the Hofstra School administration to seek help with Royal's school fees as that has been a custom of mine to beg and solicit help. Hofstra refused to help Royal and everyone in the world joined Hofstra to stalk Royal's education process and general wellbeing. She was rendered homeless and she and I could not afford any home and she slept with me in the vehicle from 2013 to 2016 when she was falsely placed in jail on December 10, 2020. This was the doing of the world. The world knew we were heiresses and she was intensely targeted in Hofstra University and sent out illegally. Everyone in the world must contribute to my daughter's education seeking ways to help her attain the content needed for medical school and a Bachelors in BioMedical Engineering Degree and a Masters degree in Engineering Management.
6. **Combination of Royal's Medical School and Biomedical Degree a Must:** Please note that it is well documented that children have graduated in the past from college at 14 years

(Please see online stories below). Therefore it is my desire that Royal earns her Biomedical Engineering Degree and complete her Medical School in a total of no more than 4 years. She needs to rotate through the different departments of the hospital and earn a Doctor of Medicine degree and a Bachelors of Biomedical Degree before the end of 2024.

Promotions:

7. **Sir Mick Mulvaney promoted to Knighthood**- Mick Mulvaney must be awarded the knighthood of the Sovereign Kingdom and Certification by Maureen Uche's only daughter Royal Chukwudumebi. He would then be addressed as a "Sir" by all. Sir Mick Mulvaney can form a knighthood for other men committing to celibacy and for those who have completed his celibacy classes (Please see Ordained Ministry of Mick Mulvaney)
8. **Ordained Ministry For Mick Mulvaney**: We increasingly need an Ordained Minister with Certification in the White House. I hereby order that Royal Chukwudumebi ordain Mick Mulvaney as Ordained Catholic Archbishop who is able to conduct Morning Mass, serve the Eucharist and able to lead all men spiritually. Sir Mick Mulvaney will be conducting Morning mass in the White House daily. Here are the compensations for Ordained Ministry in the White House:
 - Morning Mass:** \$200 for each day
 - Catechism:** \$100 for each class (He may conduct as many classes necessary for all)
 - Chaplaincy and Eucharist Ministry:** \$10 per person
 - Celibacy Classes for Men:** \$200 per day
 - Nulla Classes for Men:** \$200 per day

9. **Male Escorts**: My daughter needs to move around and she must not be forced to remain in one place therefore I have ordered that She be assigned Male Escorts for outings. Escorts must be vetted by the 1st NobleWoman and certified by Royal Chukwudumebi. Dame Sade Adu must sign off that these individuals are well behaved, tutored and cultured gentlemen who are able to let the Royal receive Honor, Glory and Power.

Male Escorts: \$100 per day (If you do not clock in at least 12 hours your income will be prorated)

10. **Female Escorts**: Royal Chukwudumebi will need female escorts to follow her for routine or formal feminine activities and events. They must also be **vetted and certified**.

Female Escorts: \$50 per day (If you do not clock in at least 12 hours your income will be prorated)

11. **Royalty Priority Sitters**: these sitters are ongoing and therefore do more personal things for my daughter eg follow her to classes and carry her purse and sleep around her round the clock.

Royalty Priority Sitters: \$100 per 24 hours (Day and night sitting)

12. **Ordained Ministry For Sade Adu**: We increasingly need an Female Ordained Minister in the White House. I hereby order that Royal Chukwudumebi ordain Sade Adu as a Female OMU who is able to conduct White House female services and who is able to lead all women spiritually. My book, Omu Spirituality must be presented to her and signed by Royal for

teaching her classes. Here are the compensations for Ordained Female Ministry in the White House:

Retreat for women: \$100 per day

Etiquette Classes for Women: \$200 per day

Celibacy Classes for Women: \$ 200 per day

Nulla Classes for Women: \$ 200 per day

Vetting Classes for Men Escorts with tests and Exam: \$100 per day and Classes \$200 per class and exams \$100 per exam.

Vetting Classes for Female Escorts with tests and Exams:

\$100 per day and Classes \$200 per class and exams \$100 per exam.

13. **First NobleWoman Position for Dame Sade Adu:** First Royal Chukwudumebi must award Dame Sade Adu with a Damehood with Certification that tells everyone to call her a “Dame”. Then Dame Sade Adu will then have to establish and manage the Office of the NobleWoman. Remember the Gentleman’s Office still remains separate from the NobleWoman’s Office but is now under the leadership of Dame Sade Adu.
14. **Dame Sade Adu must be promoted to Damehood:** Sade Adu must be awarded a Damehood of the Sovereign Kingdom and Certification by Maureen Uche’s only daughter Royal Chukwudumebi. She would then be addressed as a “Dame” by all. Sade Adu can form a Damehood for other women committing to celibacy and for those who have completed her celibacy classes (Please see Ordained Ministry of Sade Adu)
15. **Engineering College Male Counselors (3)** for Royal Chukwudumebi: I am ordering that individuals make themselves available to be Engineering College Counselors for my daughter Royal Chukwudumebi. They will only be paid

for any day Royal Chukwudumebi takes Engineering classes in combination with her Presidential and Head of State Job.

- a. Per day for Royal's Bachelor of Science Engineering Classes and Government= \$200 per class
 - b. Traveling Bachelor of Science Teachers= \$200 per class.
 - c. Teaching Assistant for each Teacher=\$50 per day (they carry Royal's books around and ensure they buy modern books). You have organization skills to help Royal and Teacher have a good class e.g handout tabulation etc.
 - d. Test passing= \$200
 - e. Exam passing = \$300
- Counselors must ensure that they themselves have a solid grasp of the content of Royal's classes and a flair to combine classes and make graduation an easy access. e.g completion of Bachelor of Science in 3years.
 - Counselors can target more pay by increasing Class Variation e.g including language Classes and Writing Classes etc

Names for the three Counselors

- **Engineering Elective and Life-Experience Counselor-** You can target 30 elective and life- Experience Classes. You get an Engineering Professor that will help Royal combine effectively what she does in government with what she is learning in class.
- **Engineering Core Subject Counselor-** You have 107 Core Classes to be finished in 3 years. There must be some evening classes. Very easy counseling work because you sit and ensure that the core subjects move along very fast. You can combine 201 with 301 and with 401
- **Engineering Graduating Counselor-** Will take up testing and Exams and also grading income. Please keep all testing papers for me.

For every test Royal passes- \$100

For every exam Royal passes- \$200

State Exams Royal passes- \$ 300

Certifications- \$200

9. **Engineering College Female Counselors (3)**

To include Dame Sade Adu, Royal must have three Engineering College Female Counselors to assist with bringing in and instituting the best female teacher for Royal.

Female teachers:

f. Per day for Royal's Bachelor of Science Engineering Classes and Government= \$200 per class

g. Traveling Bachelor of Science Teachers= \$200 per class.

h. Test passing= \$200

i. Exam passing = \$300

Female Elective and Life Experience Counselor: targets **free class** that combines Royal job with her pursuit of Engineering degree. Horn on things or topics Royal wants to learn.

Female Core Subject Counselor- target bringing exceptional female engineering teachers.

Female Graduating Counselor: this targets good and fair testing.

For every test Royal passes- \$100

For every exam Royal passes- \$200

State Exams Royal passes- \$ 300

Certifications- \$200

10. **Graduating Day:** All counselors (6) and All teachers get paid \$1000 each.

11. **Masters in Engineering Management and Medical School**

Exam: All teachers and counselors receive an additional \$100 for all payments and Escorts receive \$100 extra for escorts during her Masters Degree. Ask Royal if she will be interested in a Medical School degree- If

she says “yes” then you can pursue the best teachers for the Medical Exam and for the Clinicals and Classes and Specialization.

12. **Heather Forever is Chief Auditing Student:**

Student auditors must have been cleared by their names being in this document to sit in classes with Royal. You are not a student, you are just an in the class to fortify the teaching experience for the teacher and the learning experience for Royal.

- Auditing Students receive \$100 per day- all day. Only Mick Mulvaney, Sade Adu, Josh Turner and Heather Forever can make themselves available for auditing classes.
- Teachers will be paid extra only for passing tests and passing exams.
- *Elective Counselors, Core Content Counselor and Graduating Counselors* will be paid for successful completion of the Certificate program in Engineering for Auditors and for Royal.
- All certifications must be in engineering so you do not move Royal away from what she is doing.

13. Counselors may make some of the certificate programs relevant to Royal’s Engineering degree as Electives and Life- Experience Classes.

he program is designed for not-for-profit administrators and staff, board members and volunteers, and individuals who may be interested in changing careers. In recent years, not-for-profits have had to dramatically change the way they operate. Scarcity of resources to support not-for-profits, the proliferation of social media and information technology, stricter government oversight, more savvy donors, an increased emphasis on outcomes measurements, and the need to build sustainable organizations have impacted the way not-for-profits do business. Even seasoned not-for-profit professionals who want to remain current in the field will benefit from the courses offered in this certificate program. Courses may also be taken on an individual basis without participating in the certificate program. AFP members receive a tuition discount.
